THE BLANCO UNIT

Making kitchen life easier.

What is a BLANCO UNIT? A BLANCO UNIT is a fully integrated sink, faucet and accessory system that enhances your experience with water. The perfect combination of premium products for drinking water, preparing food and cleaning, making kitchen life easier.

DRINK

Your source of water.

Water plays an essential role in your kitchen. Choose a beautifully designed faucet that is functional, intelligent and color-coordinated with your sink.

PREP

Focus on the food.

Streamline meal prep, reduce clean-up and simplify your workflow with premium sink and accessory combinations.

CLEAN

No stress kitchen mess.

Life in the kitchen can get messy. Incorporate green living while making heavy duty cleanup easier with our eco-friendly, dishwasher-safe SOLON.

SILGRANIT® SINKS

Beautiful. Strong. Clean.

Silgranit sinks are admired around the world for their exclusive styles and designer color palette. The kitchen has become a central point in our homes and your sink is an integral part of your daily kitchen routine. Dare to fall in love with a Silgranit sink.

Exclusive Design. Our Silgranit portfolio is offered in 9 different colors and features over 300 exclusive sink designs. Striking hues like our latest Coal Black, will make your Silgranit sink the statement piece you've been looking for.

Unsurpassed Durability. The ultimate choice for long-lasting kitchen bliss. Scuff marks, hot pans and baking trays don't stand a chance against Silgranit.

Easy to Clean. Silgranit has a smooth, non-porous surface that is water and dirt repellent making it stain-resistant and easy to clean.

COAL BLACK

Captivating. Intense. Endless Black.

Discover amazing new design opportunities with the ultimate matte-black accent for your kitchen. Our latest Silgranit color, Coal Black, is a deep, intense, flat matte-black, ideal for contemporary kitchens. Coal Black is the best choice choice for those who love **bold design**.

BLANCO SILGRANIT® Color Palette

Discover the beauty.

CUSTOM ACCESSORIES

Complete your BLANCO Unit.

LIMITED
1 YEAR
WARRANTY

Go beyond the basics with next level meal prep. BLANCO accessories are designed to make life in the kitchen easier by working with your sink and faucet to create a seamless kitchen water hub experience. Customize your BLANCO UNIT with high quality, innovative accessories tailored to meet the needs of your busy kitchen. BLANCO accessories come with a limited 1 year warranty.

SOLON™ ORGANIC WASTE SYSTEM

Sustainability with style.

We've made it easier than ever to incorporate green living into your life. The SOLON is created from the highest grade recycled stainless steel, effortlessly collecting organic waste beneath the counter and out of sight. The SOLON traps odors and integrates seamlessly, so you'll hardly know it's there. Winner of the prestigious international iF Product Design Award, the SOLON is dishwasher safe and easy to clean.

KITCHEN SINK GRIDS

Enhance the function of your sink with custom-fitted stainless steel sink grids. Featuring protective rubber feet and side bumpers, our durable sink grids provide a convenient area for drying glassware, utensils and plates. BLANCO stainless steel sink grids are dishwasher-safe and can be safely used on any countertop surface.

ELEVATED GRIDS

Elevated grids can be used in a variety of ways. Fill a pot of water without bending over, easily dry dishes, or rinse fruits and veggies. BLANCO elevated grids are heat-resistant and dishwasher-safe. Each of our stainless steel sink grids is custom designed for a perfect fit in your BLANCO sink.

FLOATING GRIDS

Floating sink grids gently hover above the sink bottom, and can be used as a secondary level for cleaning and prepping. Strong enough to hold the weight of heavy pots and pans, BLANCO floating grids can also be used as a countertop trivet!

BOTTOM GRIDS

Custom-fitted stainless steel bottom grids protect your sink from dishes and utensils. Constructed of high-quality stainless steel, our sink grids not only protect the bottom of your sink from everyday wear and tear, they also add another layer of functionality.

CUTTING BOARDS, COLANDERS & BASKETS

BLANCO accessories are the ultimate in functional style – lightweight, food-safe and custom-fit to sit comfortably on your BLANCO sink. Our premium wood cutting boards stand up to whatever you’re cutting, chopping, slicing and dicing, from within the sink or directly on your countertop.

CUTTING BOARDS

From Beech, Walnut and Ash Compound to Red Alder sourced from the United States – BLANCO cutting boards offer a superior cutting surface. Featuring rubber feet for safe use on countertops, our cutting boards are custom fit to conveniently glide over your sink, creating the ultimate workstation.

COLANDERS

BLANCO colanders are designed to conveniently hang over your sink. Made of stainless steel, they are both durable and dishwasher-safe. Our ERGON stainless steel sink features a built-in accessory ledge.

MESH BASKETS

Our dishwasher-safe, stainless steel baskets are the ultimate prep companion. Sturdy, rubber-capped feet keep it slightly raised off the bottom of your sink. Mesh baskets are multi-functional and can be used for washing fresh product or as a drying rack for glasses & utensils.

BLANCOCLEAN, CAPFLOW & DRAINS

Missing the finishing touch? BLANCO kitchen sink basket strainers, CAPFLOW drain covers and cleaning products provide ongoing care and maintenance of our stainless steel and SILGRANIT sinks. Maintain the look of your new sink while preventing costly plumbing issues.

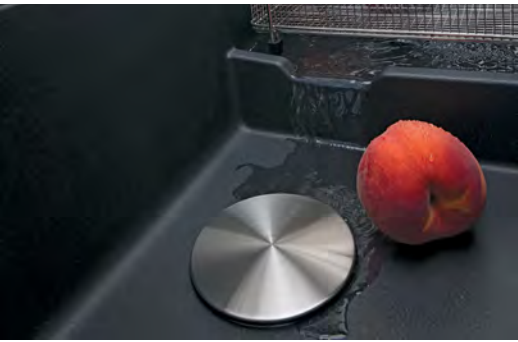

CLEANING PRODUCTS

BLANCOCLEAN DAILY+ sink cleaners for SILGRANIT and stainless steel are gentle, non-abrasive formulations designed to prevent the build-up of lime-scale and soap scum. Regular weekly cleaning will help extend the life of your new sink.

BLANCO CAPFLOW

An elegant way to hide unsightly food particles trapped in your strainer. A diameter of 4 ½” seamlessly covers standard 3 ½” drains. Its flat surface reduces splashing and raised feet allow water to flow freely.

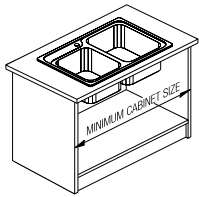

COLOR-COORDINATED DRAINS

Missing the finishing touch? BLANCO color-coordinated drains can be paired with our SILGRANIT sinks for a color-coordinated statement. Or choose stainless steel for a classic look. Our basket strainers and waste flanges fit the universal 3.5” drain opening.

HOW TO CHOOSE A SINK

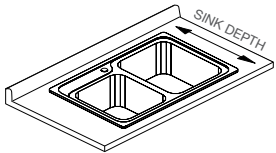

Determine the size of your sink cabinet

- Standard kitchen cabinets come in size increments of 3" (for example 18", 21" 24", 27", 30", 33", 36" etc.).
- Measure from gable to gable (left to right). Be sure to measure from outside edge to outside edge.
- This is the minimum cabinet size. All BLANCO sinks indicate the minimum cabinet size requirements.

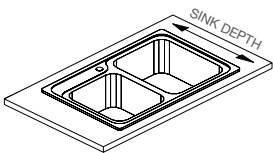

Determine the depth of your countertop

Are you keeping an existing laminate countertop that has a backsplash?

A sink that measures up to 20 1/2" deep (front to back) should fit.

For laminate or stone countertops without a backsplash.

A sink that measures up to 22" deep (front to back) should fit.

When installing an undermount sink, it is important to ensure that enough space is allocated for the faucet, fixtures and other materials behind the sink. We recommend consulting your installer.

Sink material

SILGRANIT	Stainless Steel	Fireclay
<ul style="list-style-type: none">- Patented granite composite material- Available in 9 beautiful colors- Made of up to 80% quartz sand, the hardest element of granite, Silgranit is extremely durable and strong.- Easy to clean thanks to its non-porous surface.	<ul style="list-style-type: none">- Heat and stain-resistant- BLANCO stainless steel sinks come equipped with sound absorbing pads to reduce noise	<ul style="list-style-type: none">- Ultra-smooth, polished surface- High gloss white- Easy to clean

Bowl configuration and depth

Choose a bowl configuration based on how you use your kitchen and what will best suit the needs of your household.

Sink style

Rethink your sink with more style options! BLANCO offers farmhouse sinks, sinks with integrated drainboards, undermount and drop-ins - all with a variety of bowl configurations.

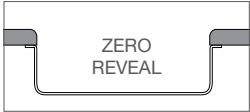

Installation methods

Undermount

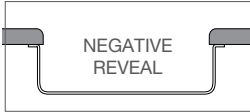

Sink is installed under the counter. Beautiful option for quartz, granite and marble countertops. Undermount sink installation reveals:

Countertop edge sits back from the edge of the sink, exposing the sink rim, typical 1/8".

Countertop meets the edge of the sink, fitting flush.

Countertop extends over the edge of the sink.

Drop-in

Sink is installed from above. Great for any countertop type, especially laminate countertops.

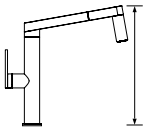

Farmhouse sinks

Most farmhouse sinks have a customized undermount installation, however please refer to individual product instructions for more details.

HOW TO CHOOSE A FAUCET

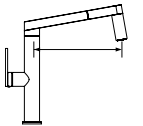

Style

Determine what style will fit the design of your kitchen. From modern semi-professional to traditional bridge faucets – understanding your style preference will help you pick a faucet you will love.

Faucet height

Ensure there is enough clearance for upper cabinetry by knowing the height of the faucet you're interested in. High arc faucets are usually more suited for island installations, or in front of a window.

Faucet reach

Make sure you check how far the spout reaches out from the faucet's base to ensure it's proportionate to the size of your sink.

Features

Look for features like pull-out or pull-down sprays, side sprays, professional hose coils and magnetic docking arms. These features add a lot of value to everyday kitchen tasks.

Finish

Chrome, stainless steel, classic steel, matte black or dual finish options can make a huge impact on the overall look and design of your kitchen.
