Clarion sells products through a vast network of wholesale distributors.

Please check for a wholesaler near you, using the **“Where To Buy”** feature on our website www.ClarionBathware.com.

ADA-COMPLIANT

Various Clarion AGING IN PLACE models are ADA-compliant, when properly accessorized. That means these select products fit within the regulations set forth by the American with Disabilities Act.

Better Starts Now!

Clarion Bathware products are now made with Armorcore™ and AcrylX™

AcrylX

with the strength of

ARMORCORE™

EXCEPTIONAL STRENGTH
SUPERIOR FINISH
LIFETIME WARRANTY

EXCEPTIONAL STRENGTH

The Strength of **ARMORCORE™**

- AcrylX™ with the strength of ArmorCore™ eliminates the hassle of damages that occur during handling and transportation that cost time and money.
- We've eliminated the common issues associated with traditional base construction. No more expensive repairs!
- ArmorCore™ has been tested far beyond industry standards. Even at 1,800 lbs of pressure it refuses to fail.

SUPERIOR FINISH

- AcrylX™ has a visibly true white, deep lustrous finish that can only be achieved with an acrylic surface. We've upgraded the value of the everyday product.
- Whether in a warehouse or a new house an AcrylX™ product will resist scratching, cracking and chipping and will maintain a "factory-new" finish over its lifetime.
- AcrylX's™ UV properties resist fading, low porosity helps maintain luster and makes cleaning easier, and other natural properties make it less susceptible to chemicals. All enhancing value and reducing everyday issues.

SIMPLY EASY

- No more wasted time looking for the design and configuration customer needs. We have hundreds of models to choose from. Our entire everyday offering is now available to you in AcrylX™ with the strength of ArmorCore™.
- You can be confident that we will stand behind our products 100% of the time, so you can be confident in selling our products to your customers. We've backed AcrylX™ with the Strength of ArmorCore™ with an unprecedented Lifetime Warranty.
- Our new AcrylX™ with the Strength of ArmorCore™ increases the value of our everyday product without changing model numbers, specifications, SKUs, or price!

AcrylX
with the strength of
ARMORCORE™

*AcrylX™ with ArmorCore™, shown above at left,
compared to standard gelcoat unit, at right.*

AcrylX™, Applied Acrylic offers a high gloss, truer white finish. The finish material is less porous which creates an easier to clean surface. The high luster results in a longer lasting finish, meaning a factory new look years after installation.

The structural integrity is greater than previous products; reducing the chances of surface cracks during transportation and installation.

ARMORCORE™

ArmorCore™ RRP (Resin Reinforced Product) offers unprecedented structural strength in everyday bath products. Testing demonstrates a 600% above code weight rating on the base while only increasing the unit weight by an average of 1-3%.

ArmorCore™ RRP outperforms traditional FRP due to the integral nature of its chemically bonded resin structure. ArmorCore™ RRP does not require foundation or bedding material for installation.

ArmorCore™ RRP produces the strongest, most resilient product in the industry, impervious to moisture and freezing, and better suited to the rigors of construction than any other product.

BETTER STARTS NOW

BEST ADA SHOWER FLANGE DESIGN

IT DOESN'T GET ANY BETTER !

SIDE RETURN FLANGE

- Clean look
- Simplifies installation
- Saves install and finish time \$
- Meets all ADA Compartment Entry Specifications

INSTALLATION EXAMPLE

IT'S A GREAT IDEA!

Available Models

- MP4038BF34 or MP4039BF34
- MP6538BF34 or MP6539BF34
- MP8851BF34 or MP8852BF34
- MP8841BF34 or MP8842BF34
- *MP4238BF34

Available in

- right hand
- left hand
- *double return

SIDE RETURN FLANGE

Return flange on the seat wall makes compliance with **ADA & ICC A117.1-2017** transfer shower code a snap! Just install per instructions and folding transfer shower seats will be within 3" of the shower compartment opening per code. Return Flange units provide a great finished fiberglass solution compartment entry, establishing absolute compliance for these shower units, eliminating construction errors for this issue.

Ask your dealer or one of our sales consultants for more information

MP6538LBF34 or MP6539RBF34
65"W X 38 ½"D X 78 ¾"H

E-Z PIN

EASY TO INSTALL—NO NUTS OR BOLTS

E-Z PINS

CORNER
(Front View)

CORNER
(Back View)

STEP 1

Frame a square and plumb pocket.

STEP 2

Set, level and secure the base.

STEP 3

Apply sealant and install back wall using Clarion's patented E-Z Pin system.

STEP 4

Apply sealant and install left and right walls using the E-Z Pin System.

With Clarion Bathware's patented E-Z Pin System, installing a shower or tub/shower has never been easier. No nuts or bolts are required during the installation, and all E-Z Pin units can be installed at any stage of the construction process.

The E-Z Pin System enables professionals and do-it-yourselfers to roughly fit the shower or bathtub into the framing pocket and easily remove it to make adjustments to the pocket or drain. The units can literally be installed in four E-Z steps.

*Optional on two- and three-piece sectionals.
Standard on four-piece sectionals.

E-Z INSTALL PRE-LEVELLED FLOOR

Front

New E-Z Install Pre-Levelled Floor Option

Introducing our new pre-leveled floor system available for all 3/4 inch barrier-free units

Back

- Saves time
- No saw needed
- Simplified standard install
- Removable shipping legs
- Unit will install level on any properly prepared flat surface

Unit now comes with removable shipping blocks attached on the bottom of the back wall (as seen in Figure 1).

Remove the screws with a screwdriver (Figure 2), then remove and discard the shipping blocks (Figure 3). The unit will now sit level on any flat and level surface.

***Note Pre-Levelled Floor systems are not self-supporting and require bedding material for proper installation. See installation instructions for details.**

For Best Results Always:

- Use a level during installation
- Read and follow instructions

**New E-Z Install**

Leave the saw outside!
Our new pre-leveled floor eliminates the irritating hassle of sawing off the legs and leveling the unit on site.

CLARION BATHWARE PRODUCTS ARE CERTIFIED TO MEET NAHB STANDARDS, HUD/FHA, BOCA, HUD UM-73A, CSA B45.5-17/ IAPMO Z124-2017. FOR DETAILS, REQUEST NAHB RESEARCH CENTER CONFIRMATION.

OUR WARRANTY

The bathroom has to be as tough as it is beautiful. Durable and resistant to stain or mildew. That's Clarion Bathware.

Our hard, non-porous surfaces hold up to real life. Our colorfast products wipe to a shine without scrubbing so they're easy to maintain.

LIFETIME WARRANTY

Clarion Bathware's Residential Lifetime Warranty covers all AcrylX™ products against defects in material and workmanship.

CAST ACRYLIC WARRANTY

Clarion Bathware's 5 Year Cast Acrylic Warranty covers all cast acrylic products against defects in material and workmanship.

WHERE TO BUY

Clarion Bathware products are available through our vast network of wholesalers. You will find many of our products in stock and custom orders can be done directly with the wholesaler. Please contact your nearest wholesaler for price and availability.

FACTORY DIRECT SHIPPING:

Clarion Bathware ships direct from our manufacturing facility in Marble, Pa., on our own fleet of air-ride trailers. Our company drivers guarantee on-time delivery and safe handling of our made-to-order bathware products.

To locate a wholesaler near you please go to www.ClarionBathware.com and click "Where to Buy".
